

We were absolutely delighted to have been nominated for Cedabond's Most Improved Supplier of the Year in the Spring of 2019 and even more delighted to actually win the award at their Spring Conference which took place at Heythorp Park Resort in April. Everything we do at EAIS is a team effort and it is always hugely rewarding to be recognised and rewarded for all the hard work that goes on behind the scenes.

The Cedabond Spring Conference is a prestigious event for the Catering Equipment industry, which attracts manufacturers, distributors and representatives of other associations, representing major end user groups.

EAIS have been a supplier to The Cedabond group since July 2004. In that time they have grown with us to be a valuable supply partner. They have always been a forward-thinking company who have adapted and improved over the years. The quality of their product is excellent and we have never had a single complaint from our members, which is credit to them. EAIS have always supported us and our members in everything we do.

We look forward to working with them in the years to come.
