

EAIS is delighted to provide support for 100 million Krispy Kreme doughnuts

Krispy Kreme doughnuts were first sold in 1937 when Vernon Rudolph bought a secret yeast-raised doughnut recipe from a French chef based in New Orleans - and went on to sell them from a hole he knocked through the wall of a grocery store in Old Salem - and the rest, as they say, is history - with over 1,000 stores worldwide. We are delighted to have been working direct with Krispy Kreme for over five years now and are extremely proud of the relationship that has developed - supplying bespoke 23 tier doughnut transportation trolleys, bespoke tray holding trolleys and aluminium 'Ez-Rack' shelving with polymer mats, helping support the sale of 100 MILLION Krispy Kreme doughnuts sold in the UK each year!
